

THE STEPPING STONES GROUP

Transforming Lives Together

Behavior Support SOLUTIONS

We specialize in providing classroom support as well as 1:1 student assistance.

VOLUME SERVICES

Providing 10-100+ staff in a single school year.

FLEXIBLE STAFF

Delivering team members that are willing and able to change caseloads at the district's discretion.

BEHAVIOR TRAINING

Conducting specially curated behavior training with our professionals when assigned with a school district.

SUPPORT COORDINATOR

Pairing all districts who have 40 or more Stepping Stones Group professionals with one of our Support Coordinators to help streamline communication, support staff on assignment, and alleviate administrative burdens.
